From: Eric Strong, City Manager
Date: May 16, 2017
Subject: Update on City Projects

City Council Action Requested:

No Action – Discussion only

Background Information:

I would like to provide a high level overview on some of the current projects and initiatives that staff and council have been working on. As we transition to three out of four new council members, I think it is good to just review several of the ongoing projects so that you become familiar with them. These projects include:

1. FY 2017-2018 Budget
2. Baker Boulevard Improvements
3. 6Stones
4. Public Safety Pay Election in November
5. Oncor Easement Trail Project
6. Link/Plaza
