

Office of the City Manager

City of Richland Hills, Texas

Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council
From: Eric Strong, City Manager
Date: May 16, 2017
Subject: New Council Orientation

City Council Action Requested:

No Action – Discussion only

Background Information:

I would like to spend some time going over various processes and expectations for the new council members. I would also like to go over basic organizational structure and functionality so that we are all on the same page. While I don't want to be too basic and bore everyone, with three out of four new council members it is probably good to set appropriate expectations and make sure everyone is operating under the same set of assumptions.
