

Office of the City Manager

City of Richland Hills, Texas

Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council
From: Eric Strong, City Manager
Date: March 12th, 2018
Subject: Fence Ordinance

City Council Action Requested:

Discussion on Fence Ordinance

Background Information:

At the last meeting, a resident approached the City Council during Citizen Comment to express his desire to see changes in the fence ordinance. I indicated that we would bring it back to the City Council for discussion and/or action. It listed only as a discussion item on this agenda. Before any action is considered, I feel it is appropriate to have the Development Committee of the Council look at this issue. We are planning on setting up a Development Committee Meeting to review this item in the next week or two. Following that discussion, a decision will be made on whether or not to bring it forward to the full council for potential further action.
